## Flip Pole Style

Combines frivolous extravagance with modern simplicity. Flexible in adjusting width to fit different window shapes.

For wide windows or bay windows, flip pole swag style can be a great choice.

It not only allows for more supporting brackets that might be needed for wide windows, but also easily flow along the multiple sections of the bay window curtain rod.

### A. Valance

Flip pole styles, w/o fringes along the swags and tails, fully lined, Velcro tape attached to rod

Style #: FPS-01

### B. Drapes

Double fullness, fully lined, rod pocket

Style #: RPD-01

### C. Valance + Drapes

- One valance of the selected width
- Two drape panels, each measuring selected width and height
- Matching fabric tiebacks

Style #: FPSS-01
